BMW Asia and Performance Motors sponsor Russel Wong's first Singapore Exhibition February 2005

BMW Asia Pte Ltd and Performance Motors Ltd (PML) jointly sponsored world-renowned celebrity photographer, Mr Russel Wong's first photography exhibition in Singapore. The solo exhibition, held at the Singapore Art Museum, lasted from 08 January to 16 April 2005.

The exhibition is the first extensive showcase dedicated to the Singaporean photographer, and features 25 years of Mr Wong's work from 1980-2005. It included a diverse range of personalities such as movie stars, musicians, models and politicians.

Mr Wong's portraits reveal an intimate side to some of the world's most famous faces, from the raw vulnerability of Jackie Chan to the poised elegance of Joan Chen and the look of sheer reminiscence on Imelda Marcos.

Said Mr Roland Krueger, Managing Director of BMW Asia of the sponsorship, "BMW Asia is honoured to be part of Mr Wong's first exhibition in Singapore. We are proud to be associated with an artist who is the pride of Asia, and we wish to share his work with the people".

"To mark my 25 year journey with an exhibition in Singapore truly feels like a homecoming," enthuses Mr Wong. "I hope my work can touch Singaporeans the way photography has moved me".
